***“Unity is strength... when there is teamwork and collaboration, wonderful things can be achieved.”***

—Mattie Stepanek

Another busy summer is gone and I always look forward to the cooler days of fall and, of course, FOOTBALL! I had the privilege of playing football for ten years, starting in junior high school and finishing with 4 years of college. I was always happy to be part of the team. If I made a mistake, my team mates were there to pick me up. If I made a great play, it was because others on my team had done their job.

This summer I had two great opportunities to be part of a team once again. In June, the Parks and Recreation staff worked with John and Chris from PlayCreation to build a new and very amazing playground at Lions Park (see page 8). The old playground was small and very outdated. With a \$25,000 donation from the Yakima Lions Club and some Parks Capital money, we replaced the playground at the park. The Parks Maintenance staff, Parks & Recreation Office staff, Tahoma Cemetery staff and Recreation staff all worked together with Marv Franklin from the Lions Club to assemble all of the playground pieces. It was a great day and good time of team building. I am so proud of the staff for all of their hard work to improve our park system and our community.

Check out the construction of the pickleball courts at Franklin Park (see page 9)—another amazing team effort this summer! We were approached by a group of

pickleball players in February about building some outdoor pickleball courts. After talking with the staff and bringing the idea to the Yakima Park & Recreation Commission, we decided to convert three of the six old and in very bad shape tennis courts at Franklin Park into eight pickleball courts. We took a trip to the Tri-cities to take a look at their conversion of two basketball courts into pickleball courts—their great result encouraged us to proceed with our project. The local pickleball players created a club and raised over \$10,000 for the renovation and gave over 550 hours of volunteer time to help staff and our consultant, Sig Fossum from Sporthaus, to build the courts. The work was completed and the courts are open for play during park hours. Our staff also learned how to resurface tennis courts and we hope to be able to resurface a few in the future. Thank you Yakima Pickleball Club members.

I hope you all get a chance to visit the playground at Lions Park and the pickleball courts at Franklin Park this fall and check out the wonderful things that can be achieved with teamwork and collaboration. **Leaf-A-Legacy** Help the Yakima Parks and Recreation Division to continue providing park and recreation programs, facilities and services to our community. Our "Leaf-A-Legacy" program allows individuals, groups and organizations to help fund the purchase of trees, shrubs and perennials for your parks. Donations can be made to the Yakima Parks and Recreation Division specifically for this purpose—have trees planted in memory of a loved one, purchase perennials for a designated park, etc. **Please consider the Parks and Recreation Division in your 2019 donations. Call Ken Wilkinson at 509-576-6416 for more information.**

## Yakima *Pools Master Plan*

**Many thanks to all who participated in our surveys.**

—Community outreach surveys have been conducted at Downtown Summer Nights, Yakima Farmer’s Market, Viva la Musica and Franklin Summer Concert Series. As results are being tallied out, we are beginning the master planning process for improvements to Franklin and Lions pools. KDA Architecture is creating a vision for improvements for each pool to be made as funds become available.
