A message from Ken Wilkinson, Parks and Recreation Manager:

Spring is the time of plans and projects. —Leo Tolstoy

I thought winter would never end—the late snowy winter really put us behind in parks. It seemed like all we did in February and much of March was remove snow. Once it melted and spring weather arrived, we had a lot of clean up and the stuff we usually do to get the parks ready for spring got pushed back. We felt very behind and have had to play catch up ever since. I knew once the weather finally got nice, everyone would be excited to get outside and enjoy the parks, including me.

We were able to celebrate the completion on the Randall Park improvement project on May 7th. It was a great event and the perfect time to thank and recognize all of the people that made the park renovation possible. I cannot express enough my appreciation and gratitude for the efforts that were made to improve this park—from the old parking lots and walkways that were literally falling apart and the old restroom. So glad that is all gone. It really makes me so happy to see people enjoying the improved Randall Park.

Extra efforts have been put towards the cemetery this spring. We purchased an aerator and aerated throughout the cemetery grounds to encourage grass growth and allow water and nutrients to get to the roots. We also sprayed for weeds, fertilized and reseeded many areas hoping to improve the look. It will take some time, but we are on the right track. We are always looking for volunteers to help us at the cemetery—if you have a few extra hours to spare, we could use your help!

Conceptual drawings have started for the proposed outdoor pool project at Martin Luther King Jr. Park. We should have some designs to review in June along with some estimated construction costs. My plan is to have a couple of opportunities for people to take a look at the ideas and give us their input. Look for a press release soon!

As Tolstoy says, ***spring is the time for plans and projects*** and we certainly have quite a few. Now that Randall Park is done, we will be looking forward to that next project in YOUR parks. If you have ideas of areas that need improvement, please email me at ken.wilkinson@YakimaWa.gov or call 509-575-6020.

Ken Wilkinson,
Yakima Parks and Recreation Manager

Leaf-A-Legacy Help the Yakima Parks and Recreation Division to continue providing park and recreation programs, facilities and services to our community. Our "Leaf-A-Legacy" program allows individuals, groups and organizations to help fund the purchase of trees, shrubs and perennials for your parks. Donations can be made to the Yakima Parks and Recreation Division specifically for this purpose—have trees planted in memory of a loved one, purchase perennials for a designated park, etc. **Please consider the Parks and Recreation Division in your 2019 donations. Call Ken Wilkinson at 509-576-6416 for more information.**
