The Hospitality Desk will be located in the hotel for your convenience between 2:00 p.m. and 7:00 p.m. It is there that the friendly staff can assist with everything from general questions about your upcoming voyage to reserving Premium Shore Excursions. An American Queen Steamboat Company representative, as well as a local representative, will be readily available to provide you with dining, entertainment, and sight-seeing suggestions so that you may maximize your time in New Orleans.

### Day 2: New Orleans, LA

Departure 5:00 PM

Today is the big day! Spend your last day here in the city of New Orleans before embarking on an unforgettable journey!

The official Voyage Check-in will be open between 9:00 AM and 12:00 PM located in the Pre-Cruise Hotel. ### Day 3: Nottoway Plantation, LA

Nottoway is the South's largest, most glorious remaining antebellum mansion, with a rich history dating back to 1859. In a fabulous location along the Great River Road, this White Castle of the South transports visitors back to an era of glory and grandeur. Set among a natural backdrop of vibrant gardens and 200-year-old oak trees, the mansion boasts three floors and 64 bedrooms, and flaunts an incredible 22 white square columns. The most popular room among guests is the White Ballroom, which is painted entirely in white with elaborate gold décor throughout. Nottoway Plantation captivates all with a brilliant blend of true Southern hospitality, history and mystery.

settlement was destroyed by flooding and fires, many of the structures and artifacts were hauled up the bluff into St. Francisville where they are still standing. The town is referred to as “two miles long and two yards wide,” but that definitely doesn’t mean they have nothing to offer! With over 140 buildings on the National Register, beautiful plantation homes nestled in the rolling countryside and bustling Main Street shops, this quaint town situated on the bluffs of the Mississippi River has a style all its own.

**Day 5: Natchez, MS**

This charming river town was founded in 1716, making it the oldest city on the Mississippi. The city is known for its elegance, hospitality and impressive preservation of history – found on every street corner. Enjoy the unique shops, restaurants, museums and historical homes, all of which contribute to Hugh Bayless’ book “The 100 Best Towns in America.”

**Day 6: Vicksburg, MS**

Vicksburg perfectly blends Southern culture and heritage with exciting modern attractions. Described as the key to the South by President Abraham Lincoln, this Southern town carries a history unlike any other Civil War city. Vicksburg was founded in 1811 and grew as a vital river port city. It was a major component to the Civil War and carries much of the history within the town. Today, Vicksburg is a popular spot for tourists to learn about the battles of the city, taste the cuisine, visit the many museums and pick out the perfect souvenir.

**Day 7: Port of the Mississippi Delta / Greenville, MS**

The Mississippi Delta is more than a geographical region. It is a way of life - a true cultural experience based around agriculture, music and history. These small river towns have been the inspiration for authors, musicians and artists for centuries. Lower Mississippi River voyages include a unique glimpse into a Port of the Mississippi Delta.

**Day 8: River Cruising**

### Experience It! Crazy Horse Memorial

Crazy Horse Memorial, the world's largest mountain sculpture now in progress, is located in the Black Hills of South Dakota. The nine-story-high face of Crazy Horse, a visionary leader committed to preserving the traditions and values of the Lakota way of life, was completed in 1998 when work shifted to the 22-story-high massive horse's head. The work was begun in 1948 by sculptor Korczak Ziolkowski at the request of Native Americans, and Ziolkowski determined that the memorial would be more than just a sculpture – it would be a humanitarian project, whereby the stories of Native American peoples would be relayed to present and future generations through the collection and preservation of Indian culture and heritage. Visitors to the memorial can view the progress of the sculpture, as well as tour an Indian museum, cultural center, the sculptor's studio, and orientation center. Although Ziolkowski died in 1982, his wife, Ruth, and their family continue to work on the project in collaboration with the Crazy Horse Memorial Foundation.

## **VENICE, ITALY**

Savor the majestic beauty of this amazing city as you glide along its canals and under its bridges, opulent palazzi and elegant churches lining the route. Discover Venice's secret quarters down narrow alleys opening into spacious campos. Admire the Doge's Palace and St. Mark's Basilica. Visit lovely Burano and the glass factories on Murano. Or enjoy the scenic countryside with its stunning Palladian villas.

## **SPLIT, CROATIA**

Sometime around 300 A.D., Roman Emperor Diocletian built his retirement palace on one of the loveliest spots on the Adriatic Sea. Today his palace has become a UNESCO World Heritage Site in the heart of Split, the city that grew up around it. Split is now Croatia's second largest city, and much of it sits on a beautiful peninsula on the island of Ciovo, a jewel on the Dalmatian Coast. Many intriguing relics from the Roman, Greek colonial and Medieval periods can be found in Split's archaeological museum, which was founded in 1820, making it Croatia's oldest museum. One of the top outdoor attractions is the green oasis of Marjan Forest Park with its Split Zoo. There are also plenty of fine beaches nearby.

## **KOTOR, MONTENEGRO**

Kotor is a beautiful walled medieval city of twisting, pink-paved streets, markets and architecture reflecting Byzantine to Venetian influences. Stroll through the compact old town, admire the impressive walls and tour the imposing St. Tryphon Cathedral, consecrated in 1166.

## **CORFU, GREECE**

Immerse yourself in this island of glorious scenery and beaches, serene monasteries, beautiful palaces, traditional mountain towns and Corfu's lovely old Venetian quarter. Or visit the ornate Achilleion Palace, built by Empress Sissi of Austria and filled with dramatic sculptures of the Greek hero Achilles.

## **ZAKYNTHOS, GREECE**

The town of Zakynthos, on the Ionian island of the same name, curves around a scenic bay and melds into the surrounding fertile plains. While Zakynthos is modern, some of the architecture bears a Venetian influence, especially its fortress and historic Saint Mark's Square. Many of the icons and frescoes salvaged from the island's medieval churches are now exhibited in the Byzantine Museum. Be sure to leave time for the beaches and look for Caretta-caretta sea turtles, as Zakynthos is their primary nesting ground.

## **HERAKLION (CRETE), GREECE**

Visit the great Minoan ruins of the Palace of Knossos, famous as the home of the labyrinth where the Minotaur roamed, and the archaeological museum that houses many superb artifacts from the complex. Explore the stunning, mountain-fringed Lassithi plateau with its orchards, 7,000 windmills and ancient villages.

## **SANTORINI, GREECE**

Visit the beautiful whitewashed hilltop towns of Oia and Fira and their breathtaking views of the caldera below. See the stunning artifacts in Fira's museum, including recent finds from the excavation of Akrotiri, thought by many to be the legendary city of Atlantis, or visit a winery. Stroll through the winding streets with fantastic views around every corner.

## **ATHENS, GREECE**

Climb up the magnificent Acropolis and stand in awe of the Parthenon, the beautiful temples and the view over Athens stretched out before you. See city highlights including the new and old Olympic stadiums. Journey to Cape Sounion and the temple of Poseidon overlooking the sea, or visit ancient Corinth and the narrow Corinth Canal cut through miles of solid rock.
