“The secret to progress is getting started.”

—Mark Twain, American writer

A message from Ken Wilkinson, Parks and Recreation Manager:

As we enter the busy season for Parks & Recreation, it is great to see all of our programs coming back to pre-COVID levels—kids soccer programs, adult volleyball & softball leagues, swim lessons and so much more. We believe we will be at capacity at Franklin Pool this summer. Swim lessons will also be back to full capacity.

During the past 2 years, we have not been able to offer many swim lessons—this concerns me. Many kids have not been able to receive the training they need to swim and how to stay safe around water. To help increase participation in swim lessons, we have created the *Swim Lessons Scholarship Program*. If a family can not afford to pay the full price for swim lessons, an application for funding assistance can be completed and submitted.

Miller Park improvements have started with the help of community leaders, local donations and a state grant. A new playground has been built and is ready for play. The basketball courts were resurfaced in the fall of 2020 and now new basketball backboards and rims have been added too. Lighting is also being added to the basketball courts for play that happens later into the evening. A restroom is being added to the park this summer, a second picnic shelter is being built and we are adding a shade structure for the performance area for our Viva La Musica concerts this summer and for other events. Four concerts are planned for Miller Park and three planned for Martin Luther King Jr. Park.

We are looking forward to a very busy summer and are excited to bring you a wide range of activities and programs for the entire family to enjoy. We will continue to see progress at Miller Park as well as improvements to other parks as funding allows.

NEW!! Swim Lesson Scholarship Program

The first rule of water safety is to learn to swim and swim well. We believe that all kids should learn how to swim and that program fees should NOT keep anyone away from learning to swim. **For more information, to apply for a Swim Lesson Scholarship for your child, or to help support our program with your donation, please call Jason Zeller at 509-576-6499 or email jason.zeller@yakimawa.gov.**

We need your help! Are you willing to serve on the Parks & Recreation Commission?

The Parks & Recreation Commission advises the City Council and Parks and Recreation Manager concerning the formulation of policy, plans and programs to maintain and operate City parks and carry out recreation programs. The Commission consists of seven Members serving 4-year terms and two Youth Members serving 2-year terms. We have openings for two Member positions and two Youth Member positions. We also have two Youth Commissioner positions open for 2-year terms. All applicants must live in Yakima City limits and Youth Members must be between the ages of 16 and 22. The Parks & Recreation Commission meets once per month on the second Wednesday of the month at 5:30 p.m. at City Hall. The meetings usually last about one hour. To download the application and apply, visit yakimawa.gov/council/boards-commissions.

MISSION STATEMENT

The Yakima Parks and Recreation mission is to provide beautiful parks with quality recreation opportunities that enrich the well being of our community.

Refund Policy

Yakima Parks and Recreation reserves the right to cancel, reschedule or combine activities as needed.

- If Parks and Recreation cancels an activity, participants will be notified by phone and a full refund will automatically be issued.
- If a Participant requests a refund, the request must be made at least three business days before the activity date and include the registration receipt. Refunds, minus a \$10 processing fee, are issued from the City Treasurer's Office within 30 days. No refund of less than \$10 will be made.
- Refunds for Visa and MasterCard transactions will be credited to the same card used in the original transaction.

Resident discount: Because people living within Yakima's city limits support parks and recreation services through their city taxes, the City offers its residents a discount on selected recreational programs. People living outside the city limits are encouraged to enjoy these activities and services.

Registration Deadline: two days prior to class or activity unless otherwise specified. Each activity has a minimum enrollment and is subject to cancellation if that enrollment is not met. Please register early.

Leaf-A-Legacy

Help us to continue providing park and recreation programs, facilities and services to our community. Our "Leaf-A-Legacy" program allows individuals, groups and organizations to help fund the purchase of trees, shrubs and perennials for your parks. Donations can be made for a specific purpose—have trees planted in memory of a loved one, purchase perennials for a designated park, etc.

Please consider the Parks and Recreation Division in your 2022 donations.
