WINTER/SPRING 2022

“A message from Ken Wilkinson, Parks and Recreation Manager:

This past year has been a year of planning for Yakima Parks & Recreation as we worked hard to create our Five-Year Master Plan. It is always a lot of work, but it’s good for us to take a look back at the past and look forward to the future and set new goals.

As part of the master planning process, we mailed out 5,000 community surveys for parks & recreation this summer and also made it available online. Thank you to everyone that completed it and sent it back to us—your feedback and suggestions are greatly appreciated. We received 695 surveys back and have taken the information to create a report showing the data displayed in graphs and charts. You can find it on our website, yakimaparks.com. This information will help us plan for the next 5 to 10 years. This planning process is critical to our success as we share the Master Plan in a document form with potential donors. The Master Plan is also submitted to the Recreation and Conservation Office of the State of Washington. Once approved, the plan allows us to be eligible for State grants for park improvements, like the improvements we made at Kiwanis Park and Randall Park.

In September, our Beyond the Bell after school program moved into the Washington Fruit Community Center next to Miller Park. We have 75 kids in the program from 14 different elementary schools. We received a grant of $74,000 from the Association of Washington Cities, the Office of the Superintendent of Public Instruction and Washington Recreation and Park Association to outfit the building with tables, an air hockey game, foosball table, ping pong table, computer desks and a whole lot more. We were also awarded a grant from Legends Casino that allowed us to purchase 5 computers for the center. Soon we will also have partnering organizations providing programs within the building.

A project that has been on our wish list and a planned improvement for many years was accomplished this fall. Gardner Park, located near Ridgeview Elementary School, now has a newer playground and restroom, two softball fields, and a newly paved parking area along Cornell Avenue. The Street Division along with support from Water & Irrigation Division, Stormwater Division and the Park Maintenance Staff, were able to relocate some irrigation lines and install storm drains in order to pave the parking area. It was a huge team effort and once again showed the skills of the City of Yakima employees.

As we start 2022, I am very hopeful that the plans we make today will become reality in the future. To make Yakima a better place for the future, I urge you and your family to join me in the planning for a better tomorrow.

Yakima City Parks

Hours: 6:00 a.m.–10:00 p.m. City Ordinance 13.16 of the Municipal Code provides guidelines for proper and safe use of your City parks. When visiting the parks, please remember the following to help make your experience and that of others more enjoyable:

- Please leave these items at home: alcoholic beverages and unleashed pets.
- Enjoy your golf equipment but take it to Fisher Golf Course. Fisher is the only City park property where the use of golf equipment is authorized.
- Please confine your fires to the barbecue grills and your litter to the proper containers, both of which are located throughout the system.
- Leave your motorized vehicles in designated parking areas—do not drive or park on the grass.
- Be sure to pick up after your pets.
- NO loitering or soliciting.
- NO damaging or defacing park property.

MISSION STATEMENT
The Yakima Parks and Recreation mission is to provide beautiful parks with quality recreation opportunities that enrich the well being of our community.

Refund Policy
Yakima Parks and Recreation reserves the right to cancel, reschedule or combine activities as needed.

- If Parks and Recreation cancels an activity, participants will be notified by phone and a full refund will automatically be issued.
- If a Participant requests a refund, the request must be made at least three business days before the activity date and include the registration receipt. Refunds, minus a $10 processing fee, are issued from the City Treasurer’s Office within 30 days. No refund of less than $10 will be made.
- Refunds for Visa and MasterCard transactions will be credited to the same card used in the original transaction.

Refund Policy:

Resident discount: Because people living within Yakima’s city limits support parks and recreation services through their city taxes, the City offers its residents a discount on selected recreational programs. People living outside the city limits are encouraged to enjoy these activities and services.

Registration Deadline: Two days prior to class or activity unless otherwise specified. Each activity has a minimum enrollment and is subject to cancellation if that enrollment is not met. Please register early.

Leaf–A–Legacy
Help us to continue providing park and recreation programs, facilities and services to our community. Our “Leaf-A-Legacy” program allows individuals, groups and organizations to help fund the purchase of trees, shrubs and perennials for your parks. Donations can be made for a specific purpose—have trees planted in memory of a loved one, purchase perennials for a designated park, etc. Please consider the Parks and Recreation Division in your 2021 donations. Call Ken Wilkinson at 509-576-6416 for more information.
