***“You will never know how many kids you have saved from drowning because you taught them to swim!”***

*—Ken Wilkinson, Parks & Recreation Manager, City of Yakima*

***A message from Ken Wilkinson, Parks and Recreation Manager:***

I am sure someone else said this before me, but I couldn't find anyone that made that statement publicly. This is a phrase I have said to lifeguards over the years and even to myself. All of us that have taught kids how to swim will never know how many we saved from drowning. Learning to swim is so important for everyone—especially for kids—and providing places for swim lessons is equally important.

We are working diligently to design a new swimming pool at Martin Luther King, Jr. Park to provide another location for swim lessons and offer another place for fun and recreation. The City of Yakima has hired NAC Architecture and Water Technology to help us with the project. We have had a few committee meetings and are almost ready to share the design with the community for more input.

The planned pool and facility is a great combination of fun recreation for all ages, exercise opportunities and also an area for swim lessons. The Aquatic

Center at MLK Jr. Park Committee clearly stated that we need something for everyone to use and enjoy.

So far, \$3 million is coming from Yakima County and the City of Yakima is funding another \$3 million for the pool. We have also requested \$2 million of additional funding from the State of Washington through the State Legislative Capital Budget. To close the gap on costs to construct the pool, Parks & Recreation will soon start a fund-raising campaign. We live in a very generous community and I am confident that the funds will be raised for this much-needed project.

While design work continues for the new pool at MLK Jr. Park, Parks & Recreation offers swim lessons for the community at Lions and Franklin pools—see pages 4 & 5 of this guide for more information. I am excited to see a new aquatic facility built in our community that will provide even more opportunities for kids to learn to swim.

## MISSION STATEMENT

The Yakima Parks and Recreation mission is to provide beautiful parks with quality recreation opportunities that enrich the well being of our community.

**Refund Policy** Yakima Parks and Recreation reserves the right to cancel, reschedule or combine activities as needed.

- If Parks and Recreation cancels an activity, participants will be notified by phone and a full refund will automatically be issued.
- If a Participant requests a refund, the request must be made at least three business days before the activity date and include the registration receipt. Refunds, minus a \$10 processing fee, are issued from the City Treasurer’s Office within 30 days. No refund of less than \$10 will be made.
- Refunds for Visa and MasterCard transactions will be credited to the same card used in the original transaction.

**Resident discount:** Because people living within Yakima’s city limits support parks and recreation services through their city taxes, the City offers its residents a discount on selected recreational programs. People living outside the city limits are encouraged to enjoy these activities and services.

**Registration Deadline:** two days prior to class or activity unless otherwise specified. Each activity has a minimum enrollment and is subject to cancellation if that enrollment is not met. Please register early.

**Leaf-A-Legacy** Help us to continue providing park and recreation programs, facilities and services to our community. Our “Leaf-A-Legacy” program allows individuals, groups and organizations to help fund the purchase of trees, shrubs and perennials for your parks. Donations can be made for a specific purpose—have trees planted in memory of a loved one, purchase perennials for a designated park, etc. **Please consider the Parks and Recreation Division in your 2023 donations. Call Ken Wilkinson at 509-576-6416 for more information.**
