“Talent wins games, but teamwork and intelligence win championships.”

—Michael Jordan, *American businessman and former professional basketball player*

grateful

A message from Ken Wilkinson, Parks and Recreation Manager:

Grateful for all of the talent and teamwork this summer:

As we look to fall, I reflect on another summer that was great, wonderful, crazy and a very busy time of the year for us. Once again, the Parks and Recreation team created opportunities for people to have great summer experiences and create lasting memories. I have an amazing talented team that work hard together to create these opportunities—whether it be to operate a swimming pool where kids can learn to swim or go down the water slide at Franklin Pool for the first time, or maybe have their first summer job on staff at the summer day camps at Miller or Kissel Parks. It can also be taking golf lessons and finding a sport that you love and can play for the rest of your life. I created my own memory by taking my 86 year old mother, who was visiting us from Chicago, to the final Summer Sunset Concert of the year at Franklin Park—definitely precious moments. Thanks go to Recreation Supervisor Tami Andringa for making these concerts happen. These are just a few of the examples of how the City of Yakima Parks & Recreation Division staff provide opportunities for all of us to enjoy.

Many thanks to our wonderful team of volunteers that help us do what we do. This last Spring, I put out the call for volunteers to help take care of the four rose beds at Franklin Park. Christi and Ryan DeLozier stepped up and took on the challenge. Without their help, we may have had to remove the beautiful rose beds. Volunteers at the Harman Center and through Yakima Valley Senior Citizens

Incorporated (YVSCI) provide services like the Coffee Bar, Soup and Sandwich lunches and fund raising events throughout the year, all of which help us make improvements and repairs to the building. Just within the last few months, YVSCI contributed almost \$6,000 to help with the cost of replacing the Fire Security Control Panel at the Center. We also have volunteers from Rotaract, the young professionals Rotary Club in Yakima led by Kyle Rasmussen. They are raising funds and providing the labor to create a pollinator garden at West Valley Community Park.

We also have a team that has worked tirelessly to raise funds for the Aquatic Center at MLK Jr. Park. Special thanks to Ester Huey, Dori Peralta Baker, Sonya Lott, Rosie Lee, and so many more for their fund raising efforts. We still have more funds to raise, but have almost reached our goal of \$3.6 million dollars for this project. A talented team is designing and constructing the new aquatic center—NAC Architecture, Chervenell Construction and their many sub-contractors are working hard to build this new facility. The Aquatic Center project is on schedule. We plan to open in June of 2025 and hope to see you there—it will be an amazing facility for everyone to enjoy.

I am so blessed to have talented people all around me, but it is the teamwork and their skills working together that help us win. Please join me in thanking our staff, volunteers and contractors for helping us make our community better.

MISSION STATEMENT

The Yakima Parks and Recreation mission is to provide beautiful parks with quality recreation opportunities that enrich the well being of our community.

Refund Policy

Yakima Parks and Recreation reserves the right to cancel, reschedule or combine activities as needed.

- If Parks and Recreation cancels an activity, participants will be notified by phone and a full refund will automatically be issued.
- If a Participant requests a refund, the request must be made at least three business days before the activity date and include the registration receipt. Refunds, minus a \$10 processing fee, are issued from the City Treasurer’s Office within 30 days. No refund of less than \$10 will be made.
- Refunds for Visa and MasterCard transactions will be credited to the same card used in the original transaction.

Resident discount: Because people living within Yakima’s city limits support parks and recreation services through their city taxes, the City offers its residents a discount on selected recreational programs. People living outside the city limits are encouraged to enjoy these activities and services.

Registration Deadline: two days prior to class or activity unless otherwise specified. Each activity has a minimum enrollment and is subject to cancellation if that enrollment is not met. Please register early.

Leaf-A-Legacy

Help us to continue providing park and recreation programs, facilities and services to our community. Our “Leaf-A-Legacy” program allows individuals, groups and organizations to help fund the purchase of trees, shrubs and perennials for your parks. Donations can be made for a specific purpose— have trees planted in memory of a loved one, purchase perennials for a designated park, etc.

Please consider the Parks and Recreation Division in your 2024 donations. Call Ken Wilkinson at 509-576-6416 for more information.
