“Keep your face always toward the sunshine and shadows will fall behind you.”

—Walt Whitman, American Poet

A message from Ken Wilkinson, Parks and Recreation Manager:

It is truly great when you get to participate in 2 ribbon cutting ceremonies in one year! We had the ribbon-cutting ceremony for the Miller Park Improvement project in June and one for the Rotary Lighting project in October.

The Rotary Lighting project added lights to the basketball court and skatepark at the Kiwanis Park/Gateway Sports Complex, the skatepark at Chesterley Park and the basketball court at Randall Park. The ribbon cutting ceremony for the project was magical as we held it in the early evening. Vicki Dwight, Rick Fairbrook and Dirk Bernd (the three past presidents of Sunrise Rotary, Downtown Rotary and Southwest Rotary) cut the ribbon that signaled the lights to be turned on. Everyone cheered and clapped while skateboarders and basketball players showed off their skills—it was great! Thanks again to our amazing Yakima Rotary Clubs for partnering with us on another project that greatly benefits our community.

Progress continues on the Aquatic Center at MLK Jr. Park project. The drawings are almost complete and will be ready to go out for bid in 2024. The generosity of the Yakima community never ceases to amaze me. Thanks to the fund-raising efforts led by Addy Logston, we have just a little more to go to reach our goal. We plan to start construction in 2024 and open the aquatic center in the summer of 2025. If you wish to donate, please go online to [SplashYakima.org](https://www.splashyakima.org) and give directly to the project through the Yakima Valley Community Foundation. Any donation amount is greatly appreciated and is tax deductible!

We are working on constructing a shade pergola in Lions Park using a donation of \$25,000 for this project from the Yakima Lions Club. The old restroom that we converted into a small picnic shelter will be torn down. The Lions Club also helped construct and pay for the new playground in the park a few years ago. Thank you Yakima Lions Club for making more improvements to Lions Park.

Once again, the Letters to Santa event was held at Public Works—another amazing free event for the community. Special thanks to Juan Arias, Recreation Activities Coordinator, for planning and leading the event. I hope you and your families were able to attend.

We faced many challenges and roadblocks on the Miller Park project, but I have found that having a positive attitude is a choice and it helps me get through those difficulties. ***Please join me in deciding to keep your face in the sun and let the shadows fall behind us!***

MISSION STATEMENT

The Yakima Parks and Recreation mission is to provide beautiful parks with quality recreation opportunities that enrich the well being of our community.

Refund Policy Yakima Parks and Recreation reserves the right to cancel, reschedule or combine activities as needed.

- If Parks and Recreation cancels an activity, participants will be notified by phone and a full refund will automatically be issued.
- If a Participant requests a refund, the request must be made at least three business days before the activity date and include the registration receipt. Refunds, minus a \$10 processing fee, are issued from the City Treasurer's Office within 30 days. No refund of less than \$10 will be made.
- Refunds for Visa and MasterCard transactions will be credited to the same card used in the original transaction.

Resident discount: Because people living within Yakima's city limits support parks and recreation services through their city taxes, the City offers its residents a discount on selected recreational programs. People living outside the city limits are encouraged to enjoy these activities and services.

Registration Deadline: two days prior to class or activity unless otherwise specified. Each activity has a minimum enrollment and is subject to cancellation if that enrollment is not met. Please register early.

Leaf-A-Legacy Help us to continue providing park and recreation programs, facilities and services to our community. Our "Leaf-A-Legacy" program allows individuals, groups and organizations to help fund the purchase of trees, shrubs and perennials for your parks. Donations can be made for a specific purpose—have trees planted in memory of a loved one, purchase perennials for a designated park, etc.

Please consider the Parks and Recreation Division in your 2023 donations.
