***“To accomplish great things, we must not only act but also dream; not only plan, but also believe.”***

*—Anatole France, French poet, journalist, and novelist*

## ***A message from Ken Wilkinson, Parks and Recreation Manager:***

***It has been another great, crazy and busy summer!*** I hope everyone was able to visit the new Aquatic Center at MLK Jr. Park this summer. This aquatic center started as a dream—and because so many people believed in the project, it became a reality. A plan was created, and with the help of so many partners and contributors, it has been accomplished. We opened the facility on June 19th with a Ribbon Cutting Ceremony and it has since been a very busy place. There are many different and fun things for everyone to enjoy. I am so grateful to Jason Zeller, Aquatics Recreation Program Supervisor, Louie Healy, Aquatic Specialist, and all the lifeguards and cashiers that worked at the aquatic center all summer. They all did an amazing job figuring out how to operate this new recreational opportunity. Opening a new recreation center always takes some effort, especially a swimming facility.

As many of you know, the City has been faced with financial issues. We will be working hard to find ways to continue to bring you all the great programs and events that we have had in the past. We will be reaching out to the community to sponsor programs and events.

This fall, we will be finishing up the plans and permits for the West Valley Community Park pedestrian bridge project.

*The Aquatic Center at MLK Jr. Park*

The bridge will connect the park to the neighborhoods to the north. Our hope is to have the project completed in the spring or early summer of 2026. This project is made possible through a Washington Department of Transportation grant.

I hope that all of you will continue to dream about what we can accomplish together. It has always been amazing to me what can be done with a dream and people who believe. Thanks again to everyone that has partnered with us to create great recreation opportunities that add to our quality of life here in the Yakima area.

## MISSION STATEMENT

The Yakima Parks and Recreation mission is to provide beautiful parks with quality recreation opportunities that enrich the well being of our community.

**Refund Policy** Yakima Parks and Recreation reserves the right to cancel, reschedule or combine activities as needed.

- If Parks and Recreation cancels an activity, participants will be notified by phone and a full refund will automatically be issued.
- If a Participant requests a refund, the request must be made at least three business days before the activity date and include the registration receipt. Refunds, minus a \$10 processing fee, are issued from the City Treasurer's Office within 30 days. No refund of less than \$10 will be made.
- Refunds for Visa and MasterCard transactions will be credited to the same card used in the original transaction.

**Resident discount:** Because people living within Yakima's city limits support parks and recreation services through their city taxes, the City offers its residents a discount on selected recreational programs. People living outside the city limits are encouraged to enjoy these activities and services.

**Registration Deadline:** two days prior to class or activity unless otherwise specified. Each activity has a minimum enrollment and is subject to cancellation if that enrollment is not met. Please register early.

**Leaf-A-Legacy** Help us to continue providing park and recreation programs, facilities and services to our community. Our "Leaf-A-Legacy" program allows individuals, groups and organizations to help fund the purchase of trees, shrubs and perennials for your parks. Donations can be made for a specific purpose—have trees planted in memory of a loved one, purchase perennials for a designated park, etc.

**Please consider the Parks and Recreation Division in your 2025 donations.**
